Dear Harry:

Please accept, again, a note of warm thanks from us in the Brookings Advanced Study Program and from us on behalf of the group of senior business executives, for the helpful and comprehensive session with you and your colleagues last week. I know, as you do, that the Agency, as well as the business executives, benefits from these exchanges, but we all realize how much we owe to you and your colleagues for the time and attention you all give.

We send you our sincere thanks for your gracious cooperation.

Cordially,
